

Specialty Reinsurance

Established in 2012, Tamesis was the first multi-line treaty reinsurance MGA with a focus on excess of loss.

Tamesis currently underwrites income of approximately \$235m of net premium. Tamesis has an exceptional record of risk management and profitability. It's capital is provided by Allianz Global and Tokio Marine Kiln.

We partner with brokers and clients worldwide, focusing on long term relationships.

Risk appetite

- All asset-based risks including capacity for composite and retrocessional products
- All non-proportional reinsurance structures including multi-line, multi-peril, composite
- USD15m per program capacity/per interest/per binder

Security

- Allianz Global Corporate & Speciality SE* (AMBest A+, S&P AA)
- Allianz Global Risks US Insurance Co*, (AMBest A+, S&P AA)
- Tokio Marine Kiln Syndicates 510 & 1880 (AMBest A, S&P A+).

*Multi year capacity with claims paying authority

**Not all MGAs
are the same”**

Get in touch

Our team are based in three locations ensuring we are always well placed to respond quickly and consistently to our brokers and clients. With a combined underwriting experience of over 200 years, we have built a reputation as a unique MGA with exceptional attention to portfolio and risk management.
